Allegan Silver Creek

Equestrian Campground

Come have fun learning to read compass, follow maps, and find clues while you trail ride. This is an activity for all ages. Play as a team or as an individual. Gets you out on your horse enjoying nature. No special equipment needed. We have compasses and pens for you to borrow.

You will be looking for either 5 or 10 plates, placed strategically along the many different trails at Silver Creek Campground. 5 plates are usually an hour ride, and 10 is around 2 hours. But you set your own pace.

Newbies are welcome and encouraged. We will set you up with a mentor if you're not sure about going by yourself. You can ride any day. If you want to ride one, two, or three days, it's your choice. The days have all different maps, clues, and answers. Cost for non-members is \$15/day adults, \$10/day children
